## Who is Provide?

Founded in 2013, Provide is a national fintech company headquartered in Columbus, Ohio with experts nationwide. Provide financially empowers healthcare providers to achieve their practice ownership dreams through a streamlined, completely online finance experience and personalized customer service. Its integrated suite of financial and banking products makes opening, running, and expanding a healthcare practice easier, giving providers back their time and energy to focus on what matters most: their patients. In August 2021, Provide became a wholly-owned subsidiary of Fifth Third Bank, and in October 2023, began operating as a division of Fifth Third Bank. In 2023, Provide was named to *Fast Company's* list of the World's Most Innovative Companies, ranking among the top 10 brands in the finance category.
